DEDICATION

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord forever.

We remember:

Mr. A.C. Fairbairn

Principal's Message

At this time of the year it is natural to look back over the last ten months and evaluate our year in terms of what we have accomplished. There can be little doubt that the greatest single achievement outside the classroom was our successful Circus that provided funds for our co-curricular programme for the next two years. This is an example of what can be done through the wholehearted co-operation of all members of the "school family".

If this same spirit of co-operation can be carried into the adult world by our Graduates, not only will they benefit, but so will our community as a whole. To our Graduates, the Class of '69, go our sincere good wishes for the future.

Life is but a dream.
A dream in which there is no reality.
As we go through life from day to day a purpose is without.
We struggle for a life that only a dream could fulfill.
Our advance in science gains us knowledge but leaves the brain in complex dexterity.
Life thus is a mere elapse of space with an unframed meaning.

And love will blow

All the people everywhere

Truth

we were both infants
in our world of imagination,
wanting impossible dreams
to come true and yet never to happen.
as we grew, so did our thoughts,
realizing something together for the
first time brought communication once more.
thinking people, a poet and a philosopher
greet their end as one dies in words
and the other to live again

A Pause

Who is there left
to teach the meaning of one-self?
the moistened lips of knowledge
deteriates at the base of my bed;
I have realized nothing from
your grade twelve tongues.
if someone, like you, o great Gotama
is to open my eyes to the path of life,
show me the middle way
so I shall not stumble into green
nor work.
my soul has developed many answers;
but questions are all too many to ask,
my own contentment is all I desire
and yet, my own emotions demand
all lies and ignorance to remain.
you, my neighbors, do not concern me
anymore,
Leave your problems at home, your
home, not mine!
I shall follow my own philosophies
and see the beginning in Nirvana
as one once did before I knew
there was a beginning.

Part I

Peering through the barred window of my dark and padded cell,
I recalled the previous happenings that had put me here.
I recalled that I was skipping through a pasture of pulsatingly
pretty
daisies.

As far as my eyes could see,
There were daisies.
Mile after mile . . . daisies.

Daisies to the right,
Daisies to the left,
Daisies in front of me,
Daisies behind me,
Even daisies beneath my feet.

And while I was skipping through
This magnificent magnitude of matchless beauty,
I tripped.
And as my body hit the daisy-padded ground
face
down,
I heard little shrieks of panic,
fear,
and pain.
I passed out at that moment
Due to having smote my head
Upon a rock protruding from the waves of daisies.

Part II

When I slowly regained my senses,
I was conscious of something poking me in the ribs
And of a pungent smell reaching my nostrils.
Then I heard it; the sound of murmurs.
Murmurs of curiosity,
murmurs of anger,
murmurs of fear,
Murmurs of hunger, and murmurs of greed.

Not withstanding anymore of this suspense,
I forced myself to full consciousness and
slowly pried my eyes open
Without moving the rest of my body.

Fear and panic ran throughout me when
I saw what was about me!
I could not believe my eyes!
Such a sight was not possible!
I had to be still unconscious for
Who but a madman (and I was not about to admit that I was one)
would ever see an awful
Sight such as this!

The awful sight dear reader, the insane and impossible sight was of
Up-rooted daisies running about me, poking their
Heads everywhere and
With their hands (yes, the infernal things had hands!)
They poked me in the ribs and extracted my valuables
(Which consisted of two pieces of stale bubble-gum, three jaw-breakers,
a half a stick of licorice, my sling-shot, a handful of
marbles, a metal whistle which I had gotten from
a box of Cracker Jacks, and an apple core)
from my pockets.

During all this time, I heard whispers.
Whispers such as:

"What would we do with him?"
"Do you recognize any of that junk in his pockets?"
"He would make good fertilizer!"
"How would we share him amongst us?"
"Gee, he's a fat one!"
"Who'll get the first bite?"

I could stand it no more!
I jumped up, scattering daisies everywhere, and ran from
That land of crawling daisies as fast as I could go,
Not looking back even once.

I ran straight to the police and told them
Everything that had happened.
As soon as the presiding sergeant heard this,
He turned to the officer standing next to him and said,
"Where did this one come from?"

Part III

As the men in clean white suits
Took me from the police station in one of those
Shirts with the
extra
long
sleeves

To this
dark and
padded cell,
I tried to tell them that daisies could talk,
That they could walk,
And that they had hands.

It was no use.
And to this day,
I still hear those
haunting murmurs
and smell their
pungent stink!

Days of Gold

The classroom buzzing, droning with the noise of lazy recitals.
Chalk scraping, tearing at the dark green surface of the blackboard.
Brave knights, knights on snorting, sweating steeds.
Knights — in blue '59 Pontiacs.
Standing tall and scowling at the under grads.
A knight with blue-hued eyes and graceful movements.
Of a hand with grease encrusted nails.
A young knight testing his lance against the world and finding it strong and sharp.
A knight, who could go far, and the right girl beside him.
He then leaves the great halls of Victoria High.

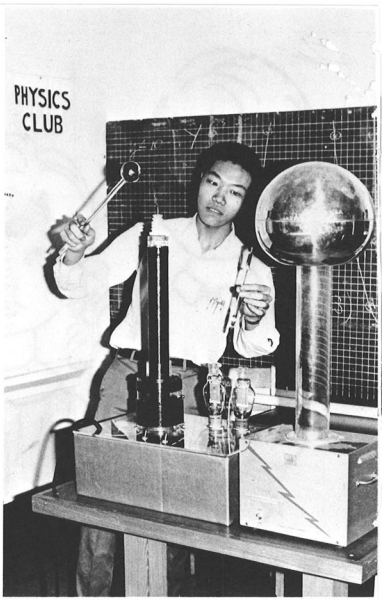
Algebra??!!

Five times I've tried that Question Six,
And now I'm in a dreadful fix,
"X" cubed is three, "y" squared is four,
Is "x" cubed less, or is it more?
Does "y" squared "x" mean to add,
To multiply, would it be bad?
If the result would come from Heaven
I might get on to question seven.

clubs

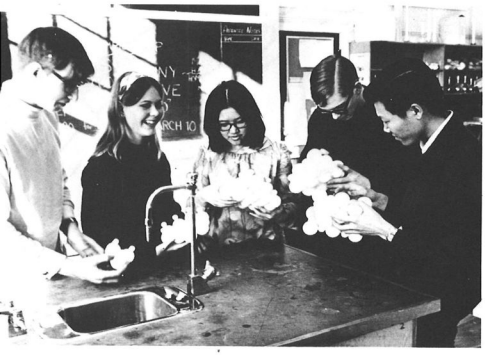
PHYSICS

Besides doing the dirty work for the physics students by organizing and cleaning up labs, the club builds fascinating sciences projects like the Tesla Coil—for fun!



CHEM LAB

Blowing down labs, preparing solutions of wrong concentrations and disarranging molecular models are their specialty. Here we caught them red-handed.



BIOLOGY

Our future biologists can be found by the Sidney dock fish-catching under a full moon. However, at their "irregular" meetings, they discuss the many fascinating aspects of biological science.

HAM RADIO

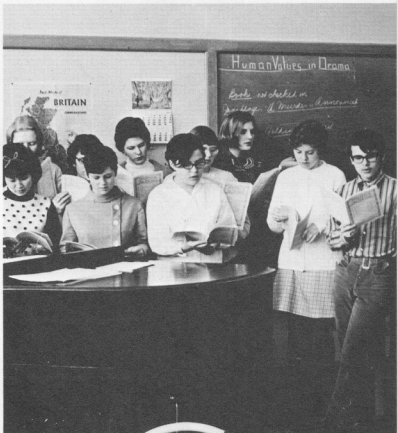
Once you have learned enough theory to send and receive at ten words a minute you can get a ham licence and broadcast on ham frequencies.

THE CHOIR

The choir's faithful members met twice a week in Room 215 and sang a great variety of songs.

BAND

This year the band is the In-stitution in the school. Under the direction of Mr. Axel Waldhaus, the band prepared a program for their annual trip to Portland. Later a full scale concert was held at the McPherson. Music ranged from contemporary to jazz to classical.



I.S.C.F.

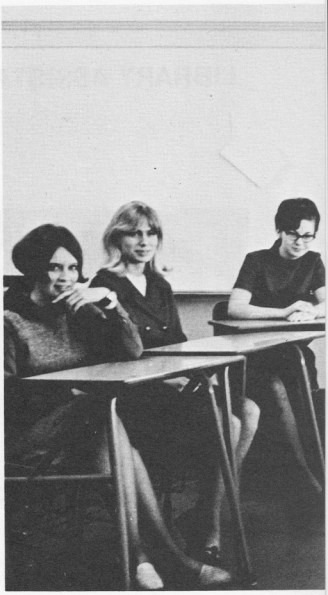
Their agenda included Bible studies, student-led discussions, guest speakers, films, singing, an annual trip to Thetis Island, inter-high gym parties, and Dave Wilkerson's recording "Monkey on the Mind".

CHESS

Every noon in Room 202, about twenty chess enthusiasts matched wits on a chess board. Their sponsor, Mr. Chell could usually be found in a corner, engrossed in a game with a student.

FUTURE SOCIAL WORKERS

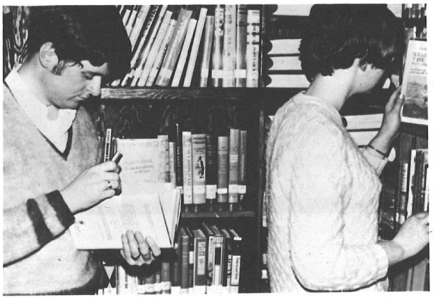
Social work fascinates this group and to learn more about it there were field trips to institutions and talks from nurses, councellors and social workers.



FUTURE TEACHERS

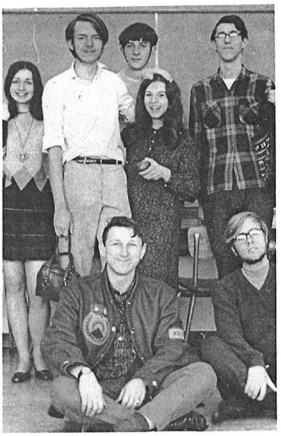
Are these the only brave ones who can take the medicine they dish out??

LIBRARY ASSISTANTS



The library assistants and a busy year with preparation of approximately 1,000 books for circulation. Thanks to Mrs. Pierce, the library has become the hangout for the members to enjoy an occasional coffee??

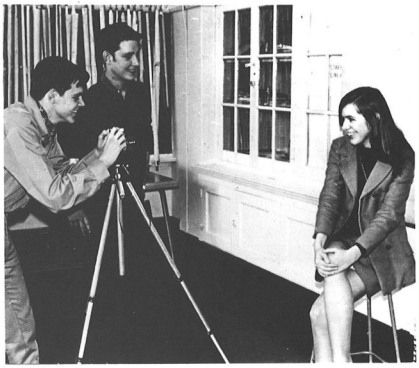
CAMOSUNET



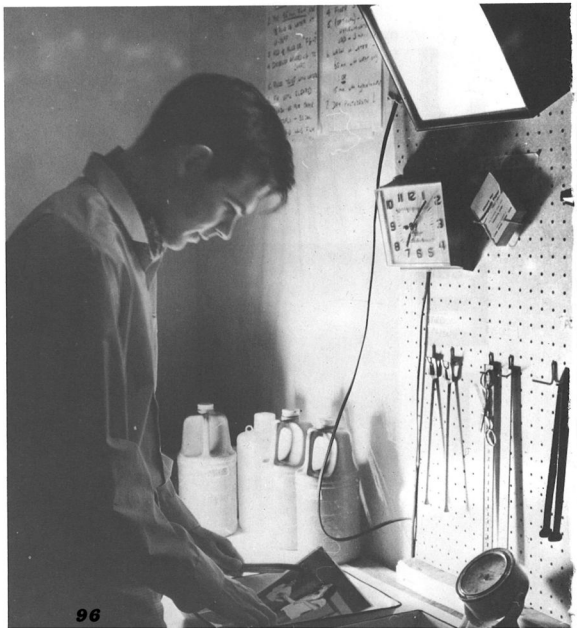
To sum up the spirit of the Camosunet for 1968-9 is probably impossible. Whether the world was ready for such innovations as the Pollution Pages, mysterious long editorials, cryptic cartoonery, and the steadfast refusal to admit the existence of Victoria High School is debatable. Nevertheless, the mysterious members of the Camosunet staff (rumored to number in the thousands) somehow managed to piece together a newspaper with astonishing irregularity.

Editors (throughout the year) . . . Wayne Smith, Dave Logan, Fred Stoba . . .? Sponsor . . . . . Mr. Owen.

PHOTOGRAPHY



There are only three breeds who adores the dark—the earth-worm, the dead, and the photographer. But naturally, the first two can't appreciate pin-ups from the P---boy! (in a certain room.) In spite of such distractions, their pictures are coming along fine — but slowly.



PREFECTS

The Minister of Justice, Brian Dunn, aided by his Deputy Minister, Michael Bradley, leaded the Prefects. This small group assisted the school by helping to supervise various school functions.

Can you find:
Fergie Andison, Helen Humphrey-Jones, Lee York, Marilynne Gillies, Lynne Ingram, Loanne Linstrom, Al Johnson?

HANSARD TYPISTS & RECORDERS.

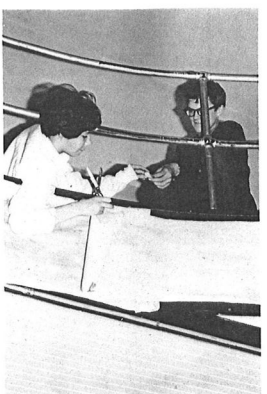
This year there are only two recorders, Carol Scott, and Elaine Michaux. Thanks to these two girls, the students have a record of every session of Parliament.

CASHIERS

These money lovers have been kept busy this year at basketball games, dances, sock hops, and various activities throughout the school.

SOCIAL COMMITTEE

This energetic and hardworking group is sponsored by Mrs. Toms. Contrary to popular belief, they don't fool around, but actually get some work done—that is if they can't help it.



PUBLICITY

This hard working bunch played an important role in poster-making '68-'69. Under their talented(?) hands, miles of paper turned out to adorn the hallowed halls of Vic. High.

Read how SNAP facial cleansing, helped this girl correct pimples and blackheads.

An Ontario girl writes: "when I was in my late teens, I was plagued with pimples and blackheads, and my mother spent a small fortune trying to correct them — unsuccessfully. A girl friend suggested a twice-a-week facial cleansing with SNAP. I am over 30 now, and receive many compliments on my skin. No blemishes, and oddly enough, no lines."

Another girl writes: "SNAP makes a wonderful facial cleanser for teenagers with a skin problem, and women who want an inexpensive skin cleansing treatment which can be done at home."

We constantly receive letters like these, telling us how SNAP cleans the skin, stimulates the circulation and helps improve the complexion.

Give SNAP a chance to help your skin!

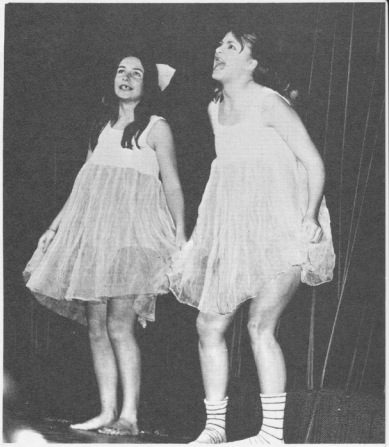
CALAMITY

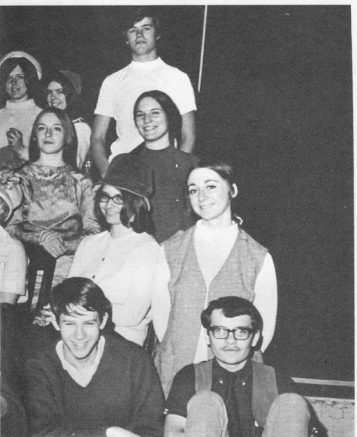
DRAMA

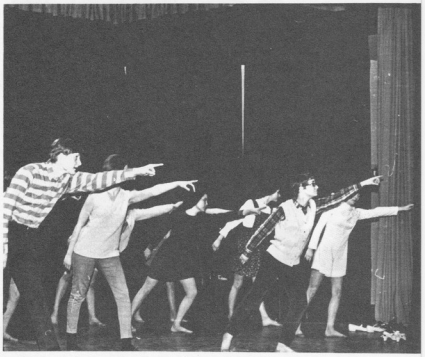
Undoubtedly, the members had a very successful year. They put on **Affected Young Ladies** and **Passion, Poison & Petrifaction** at Stage '68. For the Drama Festival two plays were entered: **The Acorn & Sapphire** and **The Hole.** The latter play was an example of outstanding teamwork, and Terry McColgan won the 3rd Best Actor and Don Orlesky, the "Times" Speech Award.



PLAYERS

Their "mayne" project this year again was to promote school spirit—among other things. Due to the "Calamitists" endeavors, one can still hear silent laughter echoing in the corridors.





STAGE CREW

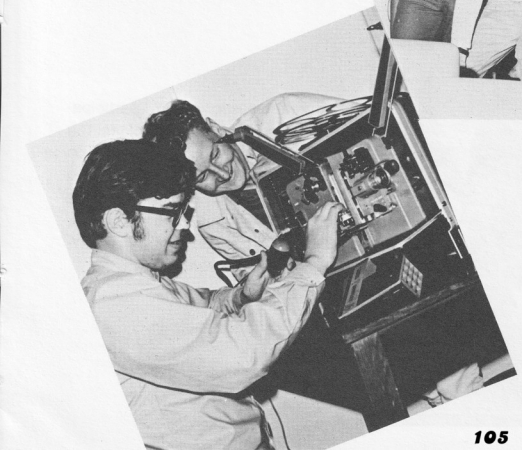
This crew deserves more credit than is given to them. Handling lights, building and moving props and scenery are only a few of the things they do.

THREE CHEERS for our hard-working GANG!!!

MOVIEMAKER'S

Though started late in 1968, the club proved to be an interesting and creative function. Under the lead of Rick Rushton and Mr. George, the members made movies and thoroughly enjoyed themselves.

PROJECTIONISTS



The projectionists have been hopping around all year setting up projectors for HANDSOME, HOPELESS, and HELPLESS teachers. On their behalf, we would like to thank you, boys!

Y-TEENS

An enthusiastic group, participating in every phrase of school life, the Y-Teens could be found selling pop at basketball games and dances, and sponsoring penny drives and cake sales etc. Their outside activities included skiing at Mt. Baker, and Y-Teen Camp Conferences.

BETA BOYS '69

This year, the Beta Boys became the first independent all boys service club in Vic High's history. They helped to build school spirit and contributed to the circus by adding a little spice to the variety show. Their "Belly Dance" was enjoyed by all.

TOMAHAWKS

This year the Tomahawks fought hard to the end of their long season only to finish a disappointing 3rd. They went on to play in the grueling Island Tournament and several members played in the Bridgeman Cup where they scored the team's greatest triumph — beating "St. Muggsies", 1-0. The team also held Oak Bay to a stunning 0-0 tie in a city league game. Tomahawks are noted for their clean cut, polite, spirited game and a team with a better sense of humour could never be found.

SOCCER — TYEES

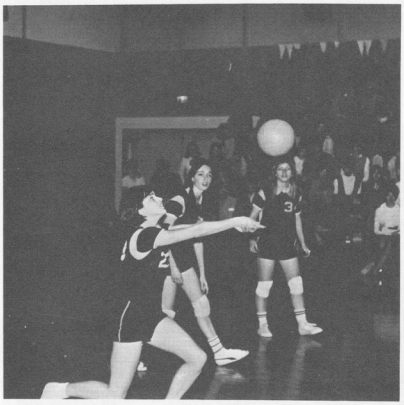
Back Row: Kjeld Brodsgaard, Ron Pietrzykowski, Mike Beaulac, Dean Stokes, Timo Markannen.
Middle Row: Gord Parker, Doug Puritch, Robbie Williams, Steve Carroll, Graham Taylor.
Front Row: Mike Metcalf, Jan Bentley.

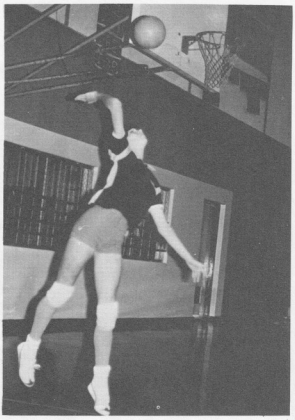
Early season disorder prevented the '69 Tyees from recapturing The Colonist Cup. Victoria High's XI, though rated a strong team, floundered in early season play and gave themselves too much of a handicap to overcome in order to gain the championship. Despite the disappointments the Tyees exhibited an exciting effort in their attempts to secure a playoff position and did not fail to achieve a fine display of sportsmanship previous teams have displayed.

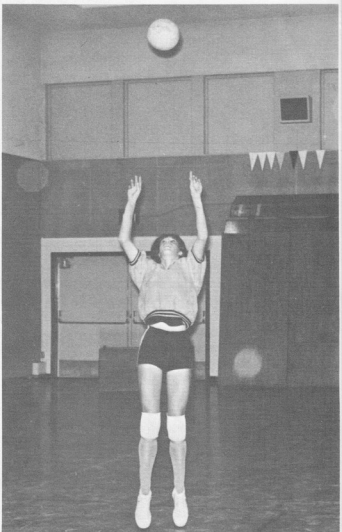
TIKIS

The Tikis once again proved that Vic High teams are the greatest. These hard working girls coached by Mrs. Bourne came 2nd in the Island Tournament and 5th in the B.C. Tournament. Never once did the girls forfeit a game to our arch-enemy Oak Bay! Since the team was composed of a good number of grade 11's next years TIKIS are a sure thing for CHAMPS!

Team Members: left to right — Sue Lorans, Vicki Hammond, Janice Sheldrick, Shannon Bourne, Sue Holland, Janette Hammer, Corrine Weich, Judy Robbins, Cheryll Milne (Manager).







"A" RUGBY — TITANS

Back Row: Kjeld Brodsgaard, Bob Turkington, John Thompson, Calvin Chow, Gary Brooks, Alan Palmer.

Middle Row: Mark Brady, Dan Wallis, Doug Puritch, Kirk Shubbook, Bob Horn, Jim Condon, Tony Croucher.

Front Row: Doug Pletch, Keith Peters, Ted Russ, Ken Saunders (captain), Rod Quin, Greg Hall.

This year's Titans were rated as a cellar team in the preseason by the local experts but the Titans surprised everyone when they dropped an exciting, hard-fought game to Mt. View— 6-3 — thus ending up in third place.

The Titans are very proud of their third place finish and even more proud of their coach, Mr. Briggs. This was Mr. Brigg's first year at Vic High and under his competant coaching the team learned some of the finer points of rugby and probably more important, the team learned some of the finer points of sportsmanship which is often difficult to display when in a hard-hitting game. The '69 Titans wish Mr. Briggs and the future Titans the best of luck.

"B" RUGBY TEAM

Back — Left to right: Wayne Brooks, Dave Ferrero, Mike Waberski, Mike Hebden, Rick Turner, Alan Olds, Dave Falconer, Alan Palmer, Gary Brooks, Rick Hunt, Alan Hitchcock.

Front — Left to Right: Gordon Rands, Rory Hayward, Keith Peters, Greg Porteous, Ted Ross, Mike Miller, Pat Matthews.

TOTEMS — B.C. CHAMPS!

BACK ROW: Ron Dworski, Barry Moen, Gerry Vanderjagt, Dave Mulcahy, Ian McLean, Mr.Andrews.
FRONT ROW: Jan Bentley, Mike Chornoby, Gord Hoshal, Gary Thurber, Eric Earl.

The '69 Totems

In the words of their coach, "I have never had a more frustrating team — yet still won the B.C."

Perfect. Up — down, never consistent. But this disappointment all year came up with the Cinderella finish one usually finds only in "Boys Adventure". Rated only mediocre, the team knew better. What could prove them more right than by defeating Oak Bay, 38 - 37 in over-time, and by winning the B.C. Championship.

And who but George Andrews could finish his High School coaching career in such style?

From the '69 Totems, the '69 student body, from the teams and the student bodies of 17 years — a good bye — a thanks, and a "Never to be forgotten."

AS THE BALL BOUNCES

The Tigers, coached by Mrs. Bourne, enjoyed an eventful season, placing a disappointing fifth in the Island Tournament, with Sue Holland scoring the most baskets. These girls worked hard to uphold the fine reputation Vic. High's basketball teams have given us and we owe them a hearty cheer.

These girls show real promise, so next year's team will be Island Champs for sure! Right, girls?

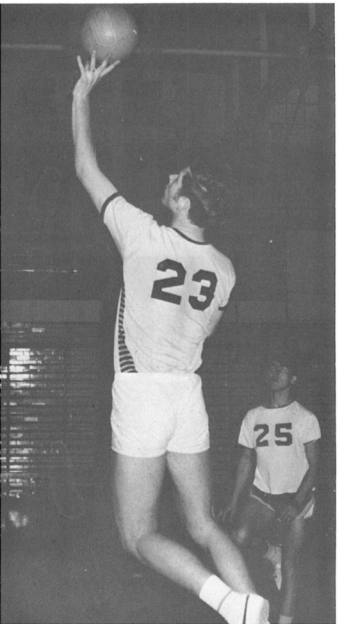
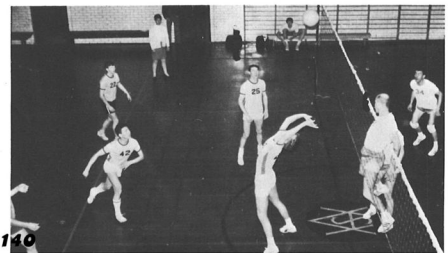
VOLLEY BALL



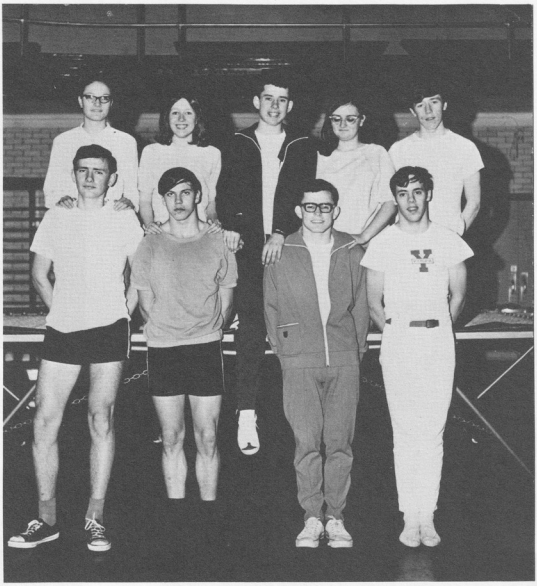
TOP: Gerry Vanderjagt, John Stubbings, Grant Price, Mike Chornoby, Barry Moen.
BOTTOM: Mrs. Bourne (coach), Ron Dworski, Doug Puritch, Willie Mew, Alistair Hood, Dan Wallis.

Lack of competition on the Island prevented this year's Tsasquatches from being a closely knit team and experienced under the pressure of good competition. Another disadvantage to the team was the poor gym time available for practise sessions. Despite these handicaps, the team placed second in the Island Tournament, losing only to Clarement in the finals 15-9, 9-15, 15-6. The team was placed high in the tourney and just failed to make the semi-finals.



GYM TEAM

These inspiring young atheletes work hard and provide noon-hour entertainment for lunch-daters in the old gym. Upon observation it seems that the trampoline is their most popular piece of apparatus with the parallel bars ranking a close second.



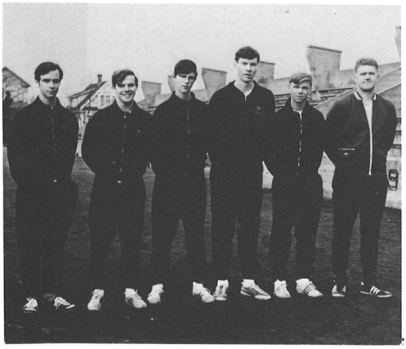
Top Row: Donna McConville, Lynn Leatham, Mike Costello, Linda Baker, Greg House.
Bottom Row: George Songuty, Ray Lapshinoff, Frank Costello, Jim Williams.

TABLE TENNIS

Top Row: Tom Jarvis, Ken Chan, Kempton Quan.
Bottom Row: Ray Mar, Ken Lee, Ken Chow, Phil Hoen.

The Table Tennis Room is hub bub of activity during lunch and after school with these potential champions. Best players are rumored to be Tom Jarvis and the unbeatable Ray Mar. Unfortunately this seems to be a stag club so come on girls, get out there and fight.

TRACK TEAM

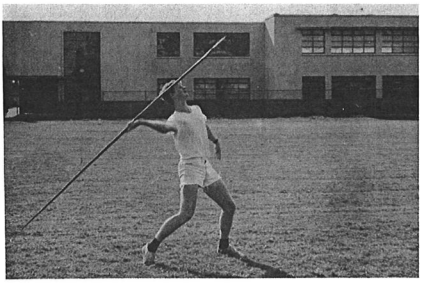


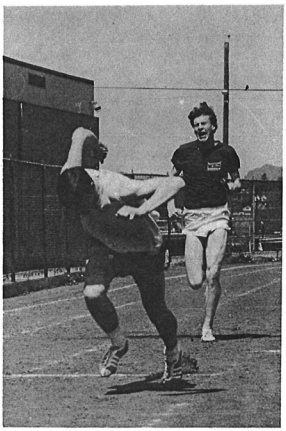
Left to right: Don Stephanich, Alistair Hood, Alex Stewart, Bob Barkley, Ken Weicker.

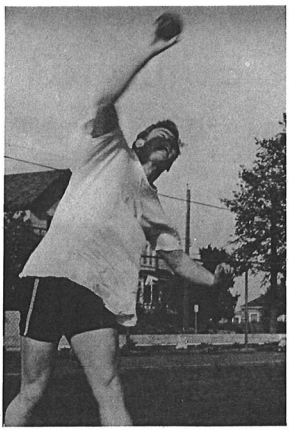
Left to right: Valerie Ostle, Connie Halbert, Myra Hissink, Sue Holland, Wendy Thompson. Missing: Nancy Thomas.

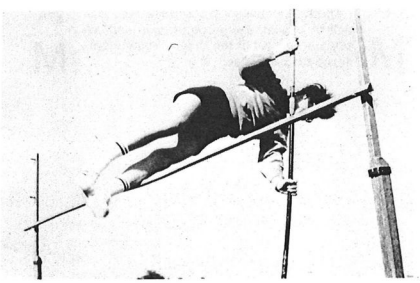
The Track Team, coached by Mr. Fougner, had a tremendous year with more still to come. The girls won every meet they went in; including the B.C. Championship in Vancouver on December 12th. The best individual runner is Wendy Thompson, and since all the girls are grade 11's, the outlook for next year is promising.

The boys too did well, they came 3rd in the B.C. Championships at Nanaimo, in March.









BODY BUILDING

The Bodybuilding club, sponsored by Mr. Packford, aims to develop muscle shape, size, strength, and endurance. The club helps strengthen body joints and promotes all round physical fitness. Progressive resistance exercises are considered to be the best physical exercises because of their ability to develop muscle size and strength through the same movement. Jogging is also a help when taking bodybuilding as it builds endurance and promotes better breathing.

Left to Right: Greg Hughes, Reg Hewco, Greg Bertwhistle, Ray adrian, Mr. Packford, John Roper, Ken Lomas, Terry Jackson, Rick Hutchins.

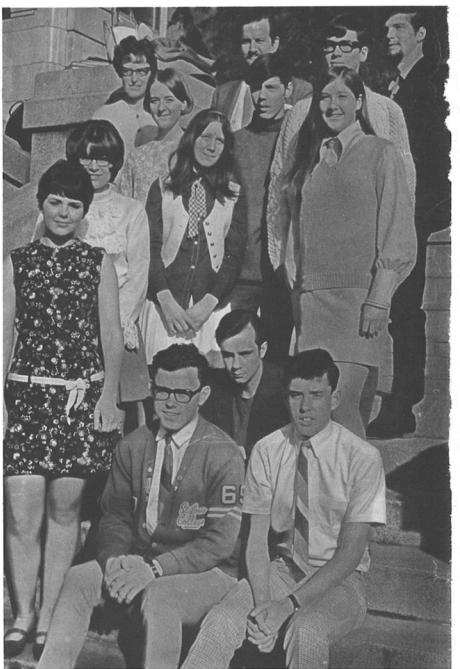
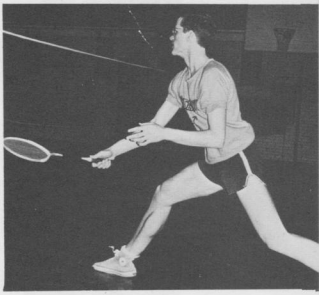
Under the sponsorship of Miss Westman and Mr. Owen, this group of swim enthusiasts worked out at the Crystal many mornings during the year.



BADMINTON

These exhuberant kids are another example of the exercise for lunch bunch! In the Badminton tournament held recently all the members placed well. At least in this club, there's a girl! Good luck Joan . . . and keep 'em running!



Top Row: George Somkuti, Brain deMaced, Willie Mew, Martin O'Brian, Tom Jarvis.
Bottom Row: Joan Page, Leung Lee.
